

The True Conservative Choice

JOHN McCay

US CONGRESS

100% Pro-Life

SANCTITY of LIFE

When I see America I see a civil society that values the dignity of human life. I am proud to say that I am 100% Pro-Life! I believe each person's life is a gift from God and should be respected. I will support legislation that defines life as beginning at conception and will work hard to overturn Roe v Wade. The Sanctity of Life is at the heart of our liberty.

We must protect the rights of those who cannot stand up for themselves!

Let's Take Back Our Country!

On November 4th 2008 you can help do just that!
