Dear Community Member,

Our Lady of the Gulf Catholic School is open to children of all faiths from Pre-Kindergarten to Eighth Grade and is accredited with the state of Texas. Our school offers a full curriculum and a variety of extra-curricular activities to ensure students are challenged spiritually, morally, socially, intellectually, and physically to develop their greatest potential. Each year thousands of dollars in tuition assistance are given out to ensure that all parents seeking to provide their children with a faith based education can afford to do so.

In addition to financial assistance for student scholarships, this year our school is involved in a variety of projects that support our strategic improvement plans. These projects include a newly remodelled computer lab and expansion of our homeroom classrooms, a sound system for our auditorium/cafeteria, and the completion of Phase I of our Gym/Family Center.

Our school is non-profit and thus all donations are tax deductible with receipts provided by the school office. All donations are also recognized through our church and school publications unless a patron chooses to be anonymous. Please consider becoming a OLG Mariner Booster and supporting our mission to provide an opportunity for growth in the Light of Christ. May God bless your generosity.

Your servant in Christ,

Mrs. Theresa M. Dent, Principal
